

# Young hairdresser is a cut above the rest

By Ben McClellan

A FINANCIAL boost from the Moss Vale Lions Club will help aspiring hairdresser Justine Snelgrove prove she is the best in the business.

The Bowral hairdresser will be one of 500 competitors across 50 trade and skill categories at the National WorldSkills competition in Brisbane from May 7-9.

The Moss Vale girl will be vying for a place at the International WorldSkills in

London next year.

The Lions have been running a raffle at the Moss Vale Hotel every Thursday since August to assist Highlanders with a goal.

After handing Ms Snelgrove a cheque for \$600 last month, Lions president Jim Armstrong said the next round of funds raised would go towards restoring the Quota wishing well in Leighton Gardens.

Ms Snelgrove competed at the regional Illawarra World Skills

last year and went to the nationals in Sydney in 2008.

The 20-year-old said the donation would help her with buying training tools.

"I was very surprised to receive the money and am very thankful," the 20-year-old said.

The Fling employee said hairdressers needed good people skills and be creative to get ahead of the rest.
